

Here we don't call it a PTA or a PTO. We are...

Pepin F.I.R.S.T.

What is The F.I.R.S.T.?

It is the Family Involvement, Resource & Support Team. What exactly does that mean?

Family. Whether you are a student, related to a student or a staff member... you are part of the Pepin Family. And the F.I.R.S.T. is here for you and we want you to be a part of the F.I.R.S.T.

Involvement. Students whose families are involved at school do better in and out of the classroom. We encourage you to get involved and strive to provide ways to help you take an active role at Pepin.

Resource. Our children and their futures are our most valuable resource. With that in mind we are devoted to being a resource *for* our school and to provide resources *to* our school.

Support. We are here to help support the school and everyone in it. This may mean volunteering your time, helping raise funds or finding other ways to support and help Pepin, it's students and it's staff.

Team. We are a team. We are all working together with the same goal. To help our student's and school be all that it can be. But we can't do it alone. We need you.
