

6th Annual Puttin' for Pepin Charity Golf Tournament

Saturday, November 5th 2016 at Cheval Golf & Athletic Club

Pepin Academies are 501 (c) (3) not-for-profit, tuition-free, public charter schools that serve students with specific learning and learning related disabilities. We serve students in 3rd and 12th grade, and also offer a transitional, job training program for students 18 to 22-years-old.

Our athletic department must independently raise money to continue to provide services to the students who wish to participate in extracurricular sports activities. The athletic programs offered have expanded to now include 8 different sports with a total of 19 teams between our Tampa and Riverview campuses. In order to help raise the necessary funds, we are having our **6th Annual "Puttin' for Pepin" Golf Tournament on Saturday, November 5th at Cheval Golf and Athletic Club**. This tournament is a fun filled 4-man scramble with a raffle, silent auction and awards dinner at the end. There are many different ways to help support our cause. Any donation would be much appreciated. Also, if you know anyone who you think would be interested in sponsoring or playing, please pass this along to them.

Thank you for your support & consideration!
