ACADEMICS AND EXTRACURRICULAR

Academics and Extracurricular

Individual Education Program (IEP)

Pepin Academies will make every attempt to schedule a mutually agreed upon time for IEP meetings. It is our policy to send at least one written notice of the IEP meetings. If we do not receive a response from you, we will notify you via email. If you choose not to attend, the meeting will be held at the scheduled time and copies of the IEP will be sent home for your review. If you feel additional information needs to be added and/or changed, another meeting will be scheduled. However, the same process will be followed as previously stated.

IEP's must be reviewed a minimum of once a year prior to the expiration date of the current IEP in order to comply with federal guidelines.

Academics and Grading

Pepin Academies follows the current Next Generation Sunshine State Standards and Florida Standards. These standards, expectations, and benchmarks are met through the utilization of multisensory teaching techniques such as visual, kinesthetic, and auditory learning modalities.

Grading Scale

Promotion/Retention Policy

Students must show a consistent effort in order to participate in the learning process and meet the requirements of Hillsborough County's Student Progression Plan. Every effort will be made to support the student, however; promotion and retention decisions are based on the student's individual progress as well as attainment of State and District benchmarks.

Interim Reports of Grades

Grades can be viewed at any time on PlusPortals. This system also gives access to view class information, assignments and homework the teacher may post. Report cards are given out quarterly. Parents will be notified during the grading period if their student is receiving a "D" or an "F" in any of their academic coursework.

ATTENDANCE

Attendance

Florida School Law, Chapter 232 states that children up to age 16 are required to attend school regularly. To fully benefit from the instructional program, students are expected to attend school regularly, be on time for classes, and satisfy all course requirements. Poor attendance or excessive tardiness may result in failing grades and will be taken into consideration when evaluating a student for promotion and/or graduation.

The attendance policy includes the following:

- An absence can be excused by a phone call on the same day. Voice messages must be clear and include the name of the caller, the name of the student, the date, and the reason for the absence. If a call is not received on the same day, then only written notification will be accepted for an excusal. This notification must be submitted in a timely fashion and with the above required information.
- All classwork is required to be made up for any absence.
- For every absence, an automated phone call and/or email from Hillsborough County School District will be made.
- After the 7th absence in a 90 day period, a phone call will be made to the parent documenting factors contributing to absenteeism. Additionally, an absentee letter will be sent to the parent from Pepin Academies
- After the 10th absence in a 90 day period, a parent conference will be initiated. Also, all future absences must be accompanied by a Physician's note or Court documents.
- After the 15th absence in a 90 day period, a Child Study Team (CST) meeting will be held and an Attendance Referral submitted to the Hillsborough County School District. Additionally, the student may lose their guaranteed placement at Pepin Academies and be placed back in the lottery for the next school year.
- After the 15th unexcused absence per semester, the student has met the legal definition for truancy and law enforcement may be contacted. For students that have a driver's license, this may result in a suspension of this license.

Reporting an Absence

The parent or guardian should call the school office by 8:50 am. to report the student's absence to the designated office personnel. Voice messages must be clear and include the name of the caller, the name of the student, the date, and the reason for the student's absence. An automated phone call and/or email from the Hillsborough County School District will be sent to each parent/guardian each day their child is absent. Pepin Academies may request additional documentation upon the student's return.

If your child is absent from school, they will not be permitted to participate in afterschool/ extracurricular activities. Students must be in attendance for at least half of the school day in order to participate in school activities.

Tardy Policy

A student who arrives to school after class has begun causes a disruption to not only other students but themselves. A student is considered tardy to school if they are not in their classroom by 8:00am. Any student arriving after this time should report to the school office to receive a tardy pass. Students will not be permitted into class without a tardy pass. Parent must accompany student to the office when signing in late.

Tardy Consequences

Students with excessive tardies (per quarter) will be subject to the following penalties:

- After 3 tardies, a behavior infraction will be submitted
- After the 6th tardy, a written notice will be sent home to parent.

Note: Excessive tardies for all schools, whether excused or unexcused, will be addressed by school personnel on a quarterly basis.

STUDENT CODE OF CONDUCT

Student Code of Conduct

School Wide Discipline Plan

Discipline is a process that uses teaching, modeling, and other research-based strategies to shape behavior and provide a safe, orderly, and productive learning environment.

The faculty and staff at Pepin Academies provide students with an enriching, challenging, and nurturing learning environment. Each teacher has a classroom management plan addressing the rules and procedures applicable in their specific classroom. These rules and procedures are taught and reinforced on a daily basis to ensure our students have a clear understanding of the expectations for the learning environment.

Pepin Academies will introduce a new positive behavior program this year called S.T.A.R.S. This program encompasses the 3 core pillars: Respect, Responsibility and Integrity. This is a framework for changing the culture and environment of a school to improve educational outcomes for students. The focus is on teaching and positively reinforcing appropriate and expected behavior.

S.-Solve Problems

T.-Teamwork

A.-Act with integrity

R.-Respect and Responsibility

S. -Self-Control

The expectations of the S.T.A.R.S. program is defined for each area of the school and taught to the students at the appropriate developmental level by every member of the school community.

The Principal or designee may take disciplinary action against any student whose conduct is judged to be unacceptable for Pepin Academies. All mitigating circumstances will be taken into careful consideration, including the student's exceptionality and how it may or may not impact their ability to comply.

Unexpected behavior is divided into two categories. Level 1 infractions tend to be minor incidents that are typically handled by the classroom teacher. These types of infractions are entered into a behavior data tracking system to determine patterns of behavior and to assist in appropriately placing students into tiered levels of support. Level 2 offenses are more serious events that are handled by a member of the administrative team and may result in a referral being written.

Referrals

A referral is an official notification of a violation in the student code of conduct. When issued, a copy is sent home for a parent/guardian signature. If the form is not signed and returned the next school day, a phone call is made to the parent/guardian and a lunch detention may also be assigned. Any serious behavioral violations that create a pattern of misconduct may result in a suspension.

Prior to a Referral:

1. Parents and students must know teacher's rules and procedures
2. Teacher and other staff members must document minor infraction and actions taken. Several interventions should be attempted prior to administration writing a referral for persistent unexpected behaviors.

STUDENT CODE OF CONDUCT

- Teacher will communicate with parents about concerns related to their child’s behavior on a consistent basis.

- Targeted-Tiered Intervention
- Administrative Consequences

Searches in School Buildings or on School Property

The school administration retains control over desk space loaned to students and regulates admission and parking of automobiles on school grounds. Therefore, if there is reasonable suspicion that drugs, weapons, dangerous/illegal matter, or stolen goods are likely to be found, the school principal and/or designee has the right and duty to inspect and search student lockers and desks and student or non-student automobiles. The school principal and/or designee, in exercise of the school’s duty to enforce school discipline and to protect the health and safety of the student body, also has the right and duty to search the student’s person if there is a reasonable degree of suspicion that drugs; weapons; dangerous/illegal matter, or stolen goods are likely to be found on

STUDENT CODE OF CONDUCT

the student's person. All items may be turned over to the police, resulting in possible criminal or juvenile court prosecution.

Cell Phone/Electronic Communication Use

Cellular phones are not permitted to be used without permission anywhere on campus during school hours. If any faculty or staff sees or hears a student's phone, or if the student is caught using the device, it will be confiscated. The confiscated phone will be returned to the student after the first infraction. Repeated infractions may result in parent/guardian pickup of the confiscated phone and/or the student losing the privilege of keeping these devices during the school day. Inappropriate material on electronic devices will not be permitted. In an emergency, family members must contact the school, not the student's cell phone.

Detention

Any teacher or staff member may issue lunch detention to a student. If a student receives repeated lunch detentions that constitute a pattern of misconduct, then this may result in a referral as well. All students assigned to lunch detention will receive a school lunch. This includes foods from a menu approved by the National School Breakfast/Lunch Program. Students will not be permitted to purchase additional items from the cafeteria. They may eat a lunch brought from home.

Suspension

A suspension is a disciplinary action imposed upon a student who, in the opinion of the administration and based on the rules and conduct code of our school, is guilty of serious misconduct.

When a suspension is issued, the parent/guardian will be notified along with the date(s) the suspension is to be served. Administration may meet with the parent/guardian and the student to discuss the situation. Suspensions may be in or out of school.

In-School Suspension

- The student will not attend any classes on this day.
- All assignments will be completed in a designated area.
- The student may not participate in or attend any after school clubs, sports events or activities during the days of the student suspension.

Out-of-School Suspension

- The student is not permitted on campus.
- The student will not receive credit for work he/she has missed while suspended
- The student will not participate in or attend any after school clubs, sports events or extracurricular or athletic activities during the days of the student's suspension.

Manifestation Determination Meeting

Once an exceptional education student has received his/her 10th day of out-of-school suspension, a Manifestation Determination meeting will be called. The purpose of this meeting is to determine whether there is a relationship between the student's disability and their misconduct. At this time, the IEP Team will review the student's disciplinary history and determine how the student's disciplinary history relates to the following:

- The child's identified disability
- Intervals of suspension

STUDENT CODE OF CONDUCT

- The severity of the behavior/infraction
- Patterns of misconduct

Emergency Situation

Certain rule infraction(s) may constitute an emergency situation. An emergency situation is defined as one in which the student's presence at school poses a danger to persons, property or self. An emergency meeting of the administration will be convened to address the situation.

Bullying and Harassment Policy

This policy has been developed as prescribed in F.S. 1006.147 and in conformity with Florida Department of Education (FLDOE.)

Pepin Academies will not tolerate unlawful bullying and harassment of any type. Conduct that constitutes bullying and harassment, as defined herein, is prohibited during any educational program or activity conducted by Pepin Academies, during any school- related or school-sponsored program or activity or through the use of data or computer that is accessed through a computer, computer system, or computer network of Pepin Academies.

Definitions

"Bullying" means systematically and chronically inflicting physical hurt or psychological distress on one or more student or employees. It is defined as any unwanted and repeated written, verbal or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; unreasonably interfere with the individual's school performance or participation; and may involve:

- Teasing
- Threats
- Intimidation
- Stalking
- Cyberstalking
- Cyberbullying
- Physical Violence
- Theft
- Sexual, religious, or racial harassment
- Public humiliation
- Destruction of property

"Harassment" means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal, or physical contact directed against a student or school employee that:

- Places a student or school employee in reasonable fear or harm to person or damage to personal property
- Has the effect of substantially interfering with a student's educational performance, opportunities, or benefits
- Has the effect of substantially disrupting the orderly operation of the school.

"Bullying" and *"Harassment"* also encompass:

- Retaliation against a student or school employee by another student or school employee for asserting or alleging an act of bullying or harassment. Reporting an act of bullying or harassment that is not made in good faith is considered *retaliation*.

STUDENT CODE OF CONDUCT

- Perpetuation of conduct listed in the definition of bullying and/or harassment by an individual or group with intent to demean, dehumanize, embarrass, or cause emotional or physical harm to a student or school employee by:
 - Incitement or coercion
 - Accessing or knowingly and willingly causing or providing access to data or computer software through a computer, computer system, or computer network within the scope of Pepin Academies

“Harassment” or “Bullying” also means electronically transmitted acts (i.e., internet, e-mail, cellular telephone, personal digital assistance (PDA), or wireless hand-held device) that a student or group of students exhibits toward another particular student, and the behavior both causes mental and physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s).

“Cyberstalking” means to engage in a course of conduct to communicate or to cause to be communicated words, images, or language by or through the use of electronic mail or electronic communication directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

Expected Behaviors

Pepin Academies expects students to conduct themselves in keeping with their levels of development, maturity, cognition, social awareness and demonstrated capabilities. This should be done with a proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities, and the care of the school facilities and equipment. It is understood that due to the nature and social limitations concomitant with the identified disabilities of many of the students, cases of suspected bullying will be diligently investigated in order to determine, to the best of the investigator’s ability, causation relative to the students disabilities. Such behavior is essential in maintaining an environment that provides an education that enables each student to excel as a successful and responsible person.

The standards for student behavior shall be set cooperatively through interaction among students, parents/guardians, staff and community members, producing an atmosphere that encourages students to grow in self-discipline. The development of such an atmosphere requires respect for self and others as well as for Pepin Academies and community property on the part of students, staff and community members. School administrators, faculty, staff, and volunteers serve as role models for students and are expected to demonstrate appropriate behavior, to treat others with civility and respect, and to refuse to tolerate harassment and bullying. Students are expected to respect the person, property, and the rights of others; to obey constituted authority; and to respond to those who hold that authority.

Pepin Academies shall provide for appropriate recognition and positive reinforcement of good conduct, self-discipline, good citizenship, and academic success.

Consequences
